

# Women of St. Regis

## 2010-2011 Membership Form

Please consider joining the WOMEN OF ST REGIS. It is a wonderful group of women joining together for Christian service events as well as social and spiritual gatherings. The annual dues are only \$35.00; these funds help support our various projects throughout the year. We have meetings once a month (day and evening) and plan to have inspirational speakers along with our traditional events. The schedule of the WSR meetings and events is attached for your easy reference. Please consider volunteering for an area that interests you. Thank you in advance and I look forward to serving as your President.

Carol Grombala  
President of WSR
