

ENRICHMENT PROGRAM GUIDELINES

- All registration forms should be in an envelope labeled “Enrichment Program – Sue Tesch” and sent to the office.
- IF YOU DO NOT HEAR FROM US, THIS MEANS YOUR CHILD IS IN THE CLASS. Classes will be filled on a first come, first serve basis.
- Payment is required at time of registration and is non-refundable. Refunds will be given only if class fills up or is not held due to low registration numbers.
- Please remind your child the day they are staying for class and write a note to their teacher.
- Students should bring their own snack, unless noted.
- Parents should plan to pick up **PROMPTLY** at the end of class. Please follow the child pickup rules as they pertain to each individual class.
- You can signup for as many sessions as you like. One registration form per child.
- If you have any questions concerning the **Faculty Sponsored Programs** you can e-mail or call the teacher directly.
- If you have any questions concerning the **Community Sponsored Programs** you can e-mail Sue Tesch at sue.tesch@stregis.org.
